

GARCIA GARCIA
DESIGN & BUILD

ASPRELA DOMUS - PLOTS 1 AND 2

Construction Residential

Excellently located on the ring road, next to S.João Hospital and the university campus of Asprela, this ambitious project awarded to Garcia Garcia consists of two separate buildings, each one with a layout in the form of an "L".

The wide open spaces and large green areas that will be part of the housing complex will be its defining feature.

Plot 1 will house 86 apartments of different types, consisting of 2 basements, ground floor and 5 floors.

Plot 2, on the other hand, will have 109 apartments, with 2 basements, ground floor et 6 floors.

YEAR OF CONSTRUCTION: 2019

TOTAL FLOOR AREA: 28.441 m²

LOCATION: Porto

LEAD TIME : 24 Months
