MERCADONA

Construction Commercial

Garcia Garcia was responsible for the construction of the building that in the heart of Santo Tirso, where the historic Arco Têxteis company once operated, the new Mercadona store was born.

The building has a sales area of 1,9000 m2, a covered park also with 2,000 m2 and capacity for 170 vehicles.

Ensuring the high standards of Mercadona, with modern features and wide and bright open areas, this new store has brought a new life to this city block.
