MERCADONA - FELGUEIRAS

Construction Commercial

The Mercadona supermarket chain opened its new store in Felgueiras.

Garcia Garcia was responsible for the construction of the sales building, which consolidates the presence of the well-known Spanish brand in the northern region.

The building, which has a wide sales area and parking area with capacity for 145 cars, is excellently located in an area with easy access routes.

This was the fourth store of the prestigious Spanish brand built by Garcia.
