MERCADONA - PAÇOS DE FERREIRA

Construction Commercial

Mercadona opened a new store in Paços de Ferreira and Garcia Garcia was responsible for the construction of the building which will allow Mercadona to reinforce its presence in the region.

With a prime location, near the city centre, the building has a sales area of 1900 m², and an outdoor park with capacity for 170 vehicles. The new store of the Spanish brand has modern features and wide and bright open areas, ensuring the high standards of Mercadona. With a modern design and wide and bright spaces, it meets all the demanding requirements of Mercadona, ensuring the high standards of the Spanish multinational.
