STUDENT HOUSING - MILESTONE CASCAIS

Construction Residential

The multinational Milestone entrusted to Garcia Garcia the construction of the University Residence of Cascais, located near the Nova SBE University Campus.

The project will generate dynamism and enhance the area where it is located, aiming to accommodate those attending the Executive Management School.

The building has a U-shaped layout so as to make the most of solar orientation and the privileged view of the sea. It has 199 single rooms, each with all necessary equipment such as private WC and kitchenette. In addition to the above, it benefits from large common areas, gymnasium, study rooms, laundry, among others.
